February 2023

Dear Brothers and Sisters:

On **Tuesday, March 7, 2023**, Local 130 will provide an opportunity for its members to learn more about their **EMPLOYEE BENEFITS**.

There will be an informative investment class presented by Prudential/Synovus representatives regarding your investments in the New Orleans Electrical Annuity Plan. This will give you an opportunity to hear an investment update from the Fund's investment consultants and educate yourself regarding your participant-directed investment program and your investment choices in this financial market.

Representatives from the New Orleans Electrical Pension Plan, the New Orleans Electrical Annuity Plan, New Orleans Electrical Health Plan and NEBF will be there to answer any questions you may have regarding your employee benefits.

Please take advantage of this assembly and every resource available to educate yourself regarding your Local 130 employee benefits. Please do not assume that you are aware of everything there is to know about your benefits based on what you hear on the job site. Ask questions and get answers from Plan Professionals.

You are invited to bring your spouse with you so that they may also get a better understanding of the benefits you are entitled to.

Apprentices are encouraged to come to learn more about the benefits that they will be entitled to. It's never too early to learn, ask questions and prepare!

Refreshments will be served and there will be drawings for giveaways.

Please mark your calendar for **Tuesday, March 7, 2023, at 5:30 PM** and attend this informative class which will be conducted at the IBEW Local 130, in the **Alexander Room, 3<sup>rd</sup> floor, 3200 Ridgelake Drive**.

Sincerely,

Paul J. Zulli

Business Manager/Financial Secretary
